## Android AEGEA Mobile Application

This Users Guide will take you through the steps to purchase a subscription in the Android AEGEA mobile application.

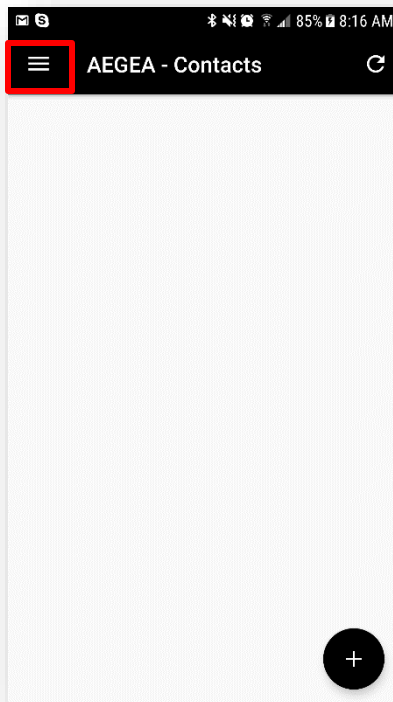

# Purchasing

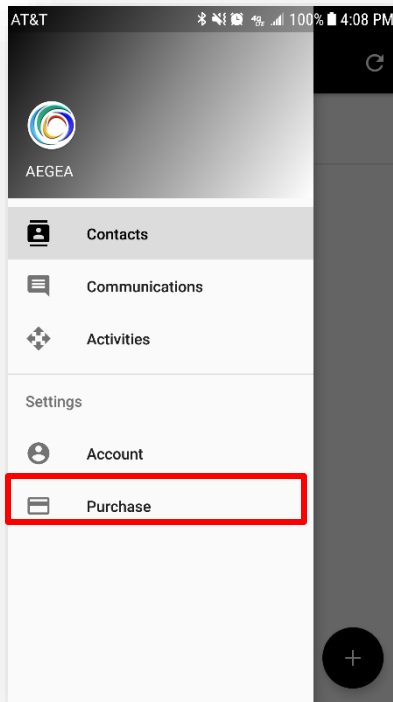

### *Purchasing – Navigating to Purchasing Screen*

To make a purchase, you will first need to be on the Purchasing Screen, by selecting the application menu, highlighted by the red box in the image.

Once the application menu is displayed, you will need to select the Purchase menu, highlighted by the red box in the image.

### Purchasing – In-App Store

The application has an In-App Store that allows you to purchase a monthly subscription.

The In-App Store is divided into two sections. The Products and the General Information.

The Products shows you what subscription services are currently available.

The General Information show you information about the subscription services along with links to the Terms of Service and Privacy Policies.

To purchase a monthly, recurring subscription service, select the dollar amount to the far right of the product item, highlighted by the red box in the image.
