

Purchasing – Users Guide

iOS AEGEA Mobile Application

This Users Guide will take you through the steps to purchase a subscription in the iOS AEGEA mobile application.

Purchasing

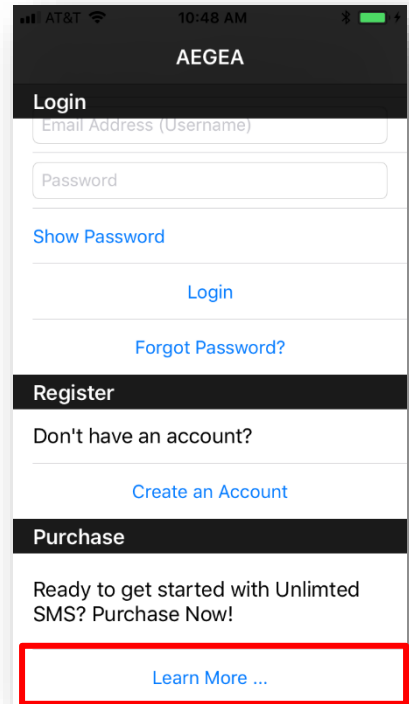

Purchasing – Login Screen

There are two places in the application to start the purchasing process.

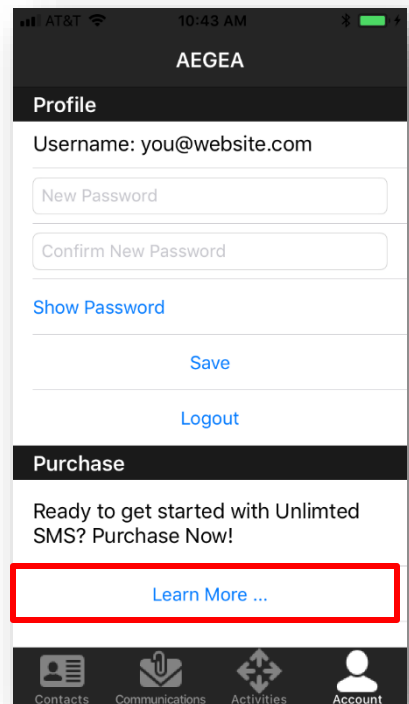

The first opportunity is here on the Login Screen.

To see the purchasing information, select the Learn More ... button, highlighted by the red box in the image.

The second opportunity is here on the Account Screen.

To see the purchasing information, select the Learn More ... button, highlighted by the red box in the image.

Purchasing – In-App Store

The application has an In-App Store that allows you to purchase a monthly subscription.

The In-App Store is divided into two sections. The Products and the General Information.

The Products shows you what subscription services are currently available.

The General Information show you information about the subscription services along with links to the Terms of Service and Privacy Policies.

To purchase a monthly, recurring subscription service, select the dollar amount to the far right of the product item, highlighted by the red box in the image.

If you previously purchased a subscription, but changed devices, you can Restore your purchase by using the Restore button in the upper right corner of the application, highlighted by the green box in the image.
